Betsy Ångerman

Production Designer

Biography

Betsy Ångerman was trained at The American Film Institute in Los Angeles and began her Production Design career in LA in the 90s.

Betsy has extensive experience in Production Design for commercials, feature film and TV which covers a variation of styles and genres. From her years as Fashion Designer, she developed an expertise in fabrics which is a great asset in Production Design.

Betsy makes her presentations in 3D – which is always highly appreciated by her clients. She has vast technical knowledge and always delivers to the highest professional standard.
