Gustav Danielsson

Director of Photography FSF

Biography

Gustav Danielsson received a lot of attention with his exceptional cinematography in award winning feature film "Du Levande" (You, the living) by Roy Andersson, for which he was nominated for a "Guldbagge" for best cinematography at the annual Swedish Film Gala 2008.

He has since then completed an impressive amount of commercials, short films and feature films. Gustav has been working a lot in England lately with productions like Netflix serial Black Mirror (his episode San Junipero won two Emmy awards at the gala 2017), and the historical fiction "Troy: Fall of a City" (BBC/Netflix).

Gustav works magic with light, creates a filmic international look and has a phenomenal talent to create cinematography that instantly captures the viewer.
