## Sarah Mae White

Costume Designer

---

### Biography

After several years of working in both London and Stockholm, Sarah has built up a wealth of experience in Costume Design and Supervising. After graduating from the Royal Academy of Dramatic Art in 2013, she remained in London to work with both theatre and film.

Since moving back to Stockholm, she has been busy supervising and assisting designers on large scale feature films as well as designing for short films, commercials and music videos herself.

She has experience in sewing, pattern cutting, dyeing and aging of fabrics and garments, and one of her greatest qualities is the way that she calmly goes into each project, and quickly adapts to new situations.
