Lars Reinholdt

Director of Photography DFF

Biography

Lars Reinholdt is a Danish DoP with extensive experience in cinematography. Lars is a sought after DoP by both experienced directors and newcomers. Regardless of the complexity and size of the project, his creative and efficient way of working always matches the requests of production and director.

Lars is a confident and creative team leader who can easily manage large teams, complicated situations and tough production planning. This allows crew and cast to feel appreciated and comfortable, hence helping them to perform their best.

Education

2001 - 2005: The National Filmschool of Denmark as Cinematographer.
