## Sara Sjögren

Set Designer & Prop Master

---

### Biography

Sara studied Interior Design and Visual Merchandising at the University of Växjö. After her studies, she started to work with various interior design magazines.

Later on, she discovered feature films and commercials and began assisting Betsy Ångerman Engström, Maria Sohlman, Malin Sköld and many more.

Sara is great when it comes to recreating the reality to moving picture, but also to distort it and create environments that can lift a feature film or commercial.
