## Therese Sandersson

Makeup Designer

---

### Biography

Therese started her career in hair and makeup design in the beginning of 2001, doing mostly film. Since then, she has been working with TV-series, commercials and feature films.

Once on set, she got a comment from an actor saying "Sitting in her chair is like taking an elevator straight to the character you play". Therese has been described as the one on set who is always helpful and figures out all kinds of problems. Along with that, she is highly organized and ambitious in her work.
