Lisa Åkesdotter Hultgren

Costume & Makeup Designer

Biography

Lisa studied at Privatskolan för Hudvård & Kosmetik in 2001, where she learned mask design and wig making. After her training, she mostly worked in fashion, which lead her into more commercial work, both within commercial and still photography.

For the past 10 years, Lisa has worked as Makeup and Costume Designer, sometimes combining the two roles. For example, she has worked on mask and costume for ICA, Coop, Telenor and Telia's advertising series.
