Pia Wallin

Production Designer

Biography

Pia Wallin started out as a freelancing Production Designer in the early 90's. Quite soon, she began working with the legendary show Nile City 105,6 at SVT where she stayed for many years producing scenography for everything from children's programs to entertainment shows, but above all some of Sweden's most popular drama series such as "Leende guldbruna ögon" and "Mannen under trappan".

Pia has positive spirit and great passion for her work. She has an eye for detail, which makes her sketches and real-scale models amazing pieces of work.

Pia has a wide-ranging experience with both small- and large-scale productions. She is also accustomed to working with productions taking place in different time periods such as "Historieätarna" and "Tusen år till julafton" among others.
