## Linéa Stenfors

Costume Designer

---

### Biography

Linéa Stenfors supplies the biggest blockbusters and the most exclusive fashion houses with both new exciting designs, innovative materials, textiles, embellishments and full garments; Her latest work includes the many magnificent costumes for HBO's "Game of Thrones" as well as new exclusive textiles for the house of Mariano Fortuny.

Utilizing modern techniques as a new way to garment construction Linéa has a unique approach to Costume Design. With a creative process based on experimentation she is contently exploring new forms of craftsmanship that transforms traditional couture into new dimensions.

Thanks to this, Linéa can take on any project, big or small, and make the characters come alive with a high end design.
