Sophie Rockwell

Makeup Artist and Wig Maker

Biography

Sophie Rockwell was born in Copenhagen, Denmark, where she went to a traditional hairdressing school. But the world of makeup and wigs really opened up when she got her first professional job at The New Theater, Copenhagen. Her talent for creating characters soon led her to work as a freelance hair and makeup artist. In 2012, Sophie was accepted to the Mask And Wig design education at Stockholm's Dramatic University of Arts. Sophie has worked on high profiled theaters with opera, musicals, films, performance, commercials and art projects as a mask and wig assistant and designer in Denmark and Sweden. She is a creator with an open mind and a sharp eye for detail.
