## Johan Phillips

Director of Photography & Steadicam Operator

---

### Biography

Johan Phillips has a background as steadicam operator. He has worked with most production companies and directors, and after working many years in the business, Johan shot his first feature, Selmas Saga, for SVT.

Today, Johan is a very appreciated Director of Photography. He has a unique approach to filmmaking where he involves the whole crew and all departments early in the process. He has a sharp eye for details, is thorough and a real team player who is highly valued by his coworkers.

### TV/Series
